Robert George Black, UNTD '43, HMCS Prevost

Bob was an almost mythical character for the UNTD Association, having completed what was believed to have been the longest summer training deployment of any cadet.

He came down from Guelph to HMCS Star in April of 1943, to be assigned transport to HMCS Cornwallis for his first summer training. He returned in the fall of 1946, with the rank of LT, to return to his studies at what was to become the University of Guelph.

Bob was a Guest of Honour, together with CMDR JJ Bennett, OMM and The Hon. Bill Graham, at the Association's 65th anniversary dinner at HMCS Star.

Bob was also a faithful member of the Burl-Oak Naval Veterans
