

DENNY, Douglas Alfred

A happy and productive life ended with the death of Dr. Douglas Denny in the early hours of July 25th. Doug was born in Cobalt, Ontario, on August 2, 1923 and was the youngest of James and Clara Louise Denny's three sons. He spent his early childhood in Northern Ontario before leaving for Toronto to complete his education at Upper Canada College. High school graduation coincided with Canada at war. Doug's wish to enlist at once led him to King's College and an officer training course which resulted in his joining the Royal Canadian Naval Reserve as a sub-lieutenant. He served with distinction as a gunnery officer aboard HMCS Border Cities in the North Atlantic. With peace came the opportunity to pursue his lifelong goal to become a doctor. He entered Queen's University, graduating with an M.D. in 1954. A trip to the west coast convinced him that this was the best 'port' in Canada, partly because it was here he met the love of his life Winifred and they were married in the same year. After interning at St. Paul's Hospital in Vancouver he set up practice in Burnaby and bought a 'heritage' home on Deer Lake where he and Winifred raised five highly individual children. After twenty years of practice, the vagabond side of his nature overcame suburbia and he joined Canada's Foreign Service as a Medical Attaché with the Department of Health and Welfare. Both he and Winifred spent twenty wonderful mind-stretching years in magical places: India, Germany, Hong Kong, London and Trinidad. Retirement brought them to Victoria where they settled in a harbor side condo. Doug is survived by his wife, companion and best friend Winifred, his devoted children, Kilmeny, Peter (Michele), Barbara Underhill (Gerry) Martin (Fong) Hilary Moses (Gareth) as well as eleven much loved grandchildren: Amberlie Denny, Alaina Denny, Leonora Fane-Saunders, Tristram Fane-Saunders, Kendra Underhill, Elizabeth Underhill, David Underhill, Leanna Denny, Annalise Denny, Siobhan Denny and Amelia Moses.

A memorial service will be held at the Union Club in Victoria on August 20th between 3 and 5 pm. In lieu of flowers donations may be made to Doctors Without Borders.

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea...

- Tennyson
