The data for the war dead information used by the CSVC project was made available by the Commonwealth War Graves Commission and Library and Archives Canada. Included in the project are all those who died in WW II (the recognition period for which is defined as 3-Sep-1939 to 31-Dec-1947), who were serving in the RCNVR, RCNR FR and WRCNS at the time of their death, and regardless of how they died.
